NOTE: Although works by the St. Louis Peace Choir are normally put into the Public Domain to be freely copied and performed, this work might be an exception. The Peace Choir did not write this song, they simply made an SATB arrangement of it. This beautiful song was written by Charles Lorre Wyatt who presumably has protected it with a copyright which we must respect.

SOMOS EL BARCO / SOMOS EL MAR / YO NAVEGO EN TI / TU NAVEGAS EN MI
We are the boat / We are the sea / I sail in you / You sail in me.

The stream sings it to the River / the River sings it to the Sea /
 The Sea sings it to the Boat that carries you and me. **(Chorus)**

Now the Boat we are sailing in was built by many Hands /
 And the Sea we are sailing on, it touches many Sands **(Chorus)**

Oh the voyage has been long and hard, and yet we're sailing still /
 With a song to help us pull together if we only will **(Chorus)**

So with our hopes we raise the sails to face the winds once more /
 And with our hearts we chart the waters never sailed before. **(Chorus)**
